

# 650nm Red light laser pointer

## Technical Details:

Light wavelength:	650nm
Light Color:	Red
Body material:	Copper
Light Source Type:	Light Emitting Diode
Power Source:	3V-5V
Current consumption:	25mA
Light shape:	Dot
Maximum emitting power:	1 Milliwatts
Diameter:	6mm
Length:	13mm
Wire length:	5 cm
Operating temperature:	-40+60C
